

## Technical Specification

# AmisaN B

Liquid N (S) fertilizer 19 (5) with boron B

Batch number: --  
Production: --  
Expiration: --

Appearance: yellowish/light brown homogenous liquid without visible suspended particles  
Odor: Slightly ammoniacal

Test	Specification	Unit
Total water soluble N	19,00 %	wt%
Of which in form of soluble amidic N	15,20 %	wt%
Water soluble S	5,00 %	wt%
Water soluble B	0,42 %	wt%

Packaging: 1000l IBC
